

## Story Sharing: Part 2 - School Days

Throughout history, sharing our personal stories and histories has brought people closer. Now that we have a bit of time, maybe we could reminisce together?

What school did you go to? Where was it?

What did you wear to school? Did you have a uniform?

Which teachers do you remember most clearly?

Was the cane used in your school?

Who was your best friend?

What was your favourite subject?

What sort of pupil were you?

Did you sit many exams?

What did you do for lunch and playtime?

How did you get to school?

Was your school religious?

Were the rules strict in your school?

Did you go on any school trips?

Did you ever get into trouble?

Did you have parents' night at your school?

What kind of school reports did you get?

Can you still remember anything you were made to learn by heart?

Were you in any sports teams?

What was in your classroom?

True or false: "School days are the best days of your life"?

Do you remember any special days, different from the normal routine?

Is there anything you wish you could have tried at school that wasn't on offer?

Are you still in touch with anyone from school?

Do you remember what you wanted to be when you grew up?

How old were you when you left school?

Would you have any advice for your younger self?

Do you remember any trends that were popular at your school?

Did you get homework? Did anyone help you?
